

# Workflow: Toilets

## Workflow

- 1) Dose sanitary cleaning agent into the wash basin and wc
- 2) Clean the mirror
- 3) Empty the waste basket and sanitary bag rack
- 4) Wipe soap dispenser and towel rack
- 5) Clean the wash basin
- 6) Wipe walls and other items
- 7 a) Clean the wc bowl inside and flush
- 7 b) Clean the toilet brush and holder
- 8) Wipe the outside of the wc bowl
- 9) Wipe stains off the door

## Tips

- Be careful with chemicals
- Use protective gloves
- Fill up paper and soap
- Report any faults to the customer
- Turn off light and close the door
