

- ☐ Cleaning budget cut 10%
- ☐ Facility access limited
- ☐ Expectations never higher

What now?

SOLUTIONS DESIGNED FOR EDUCATION

It's time to partner with ABM JANITORIAL SERVICES

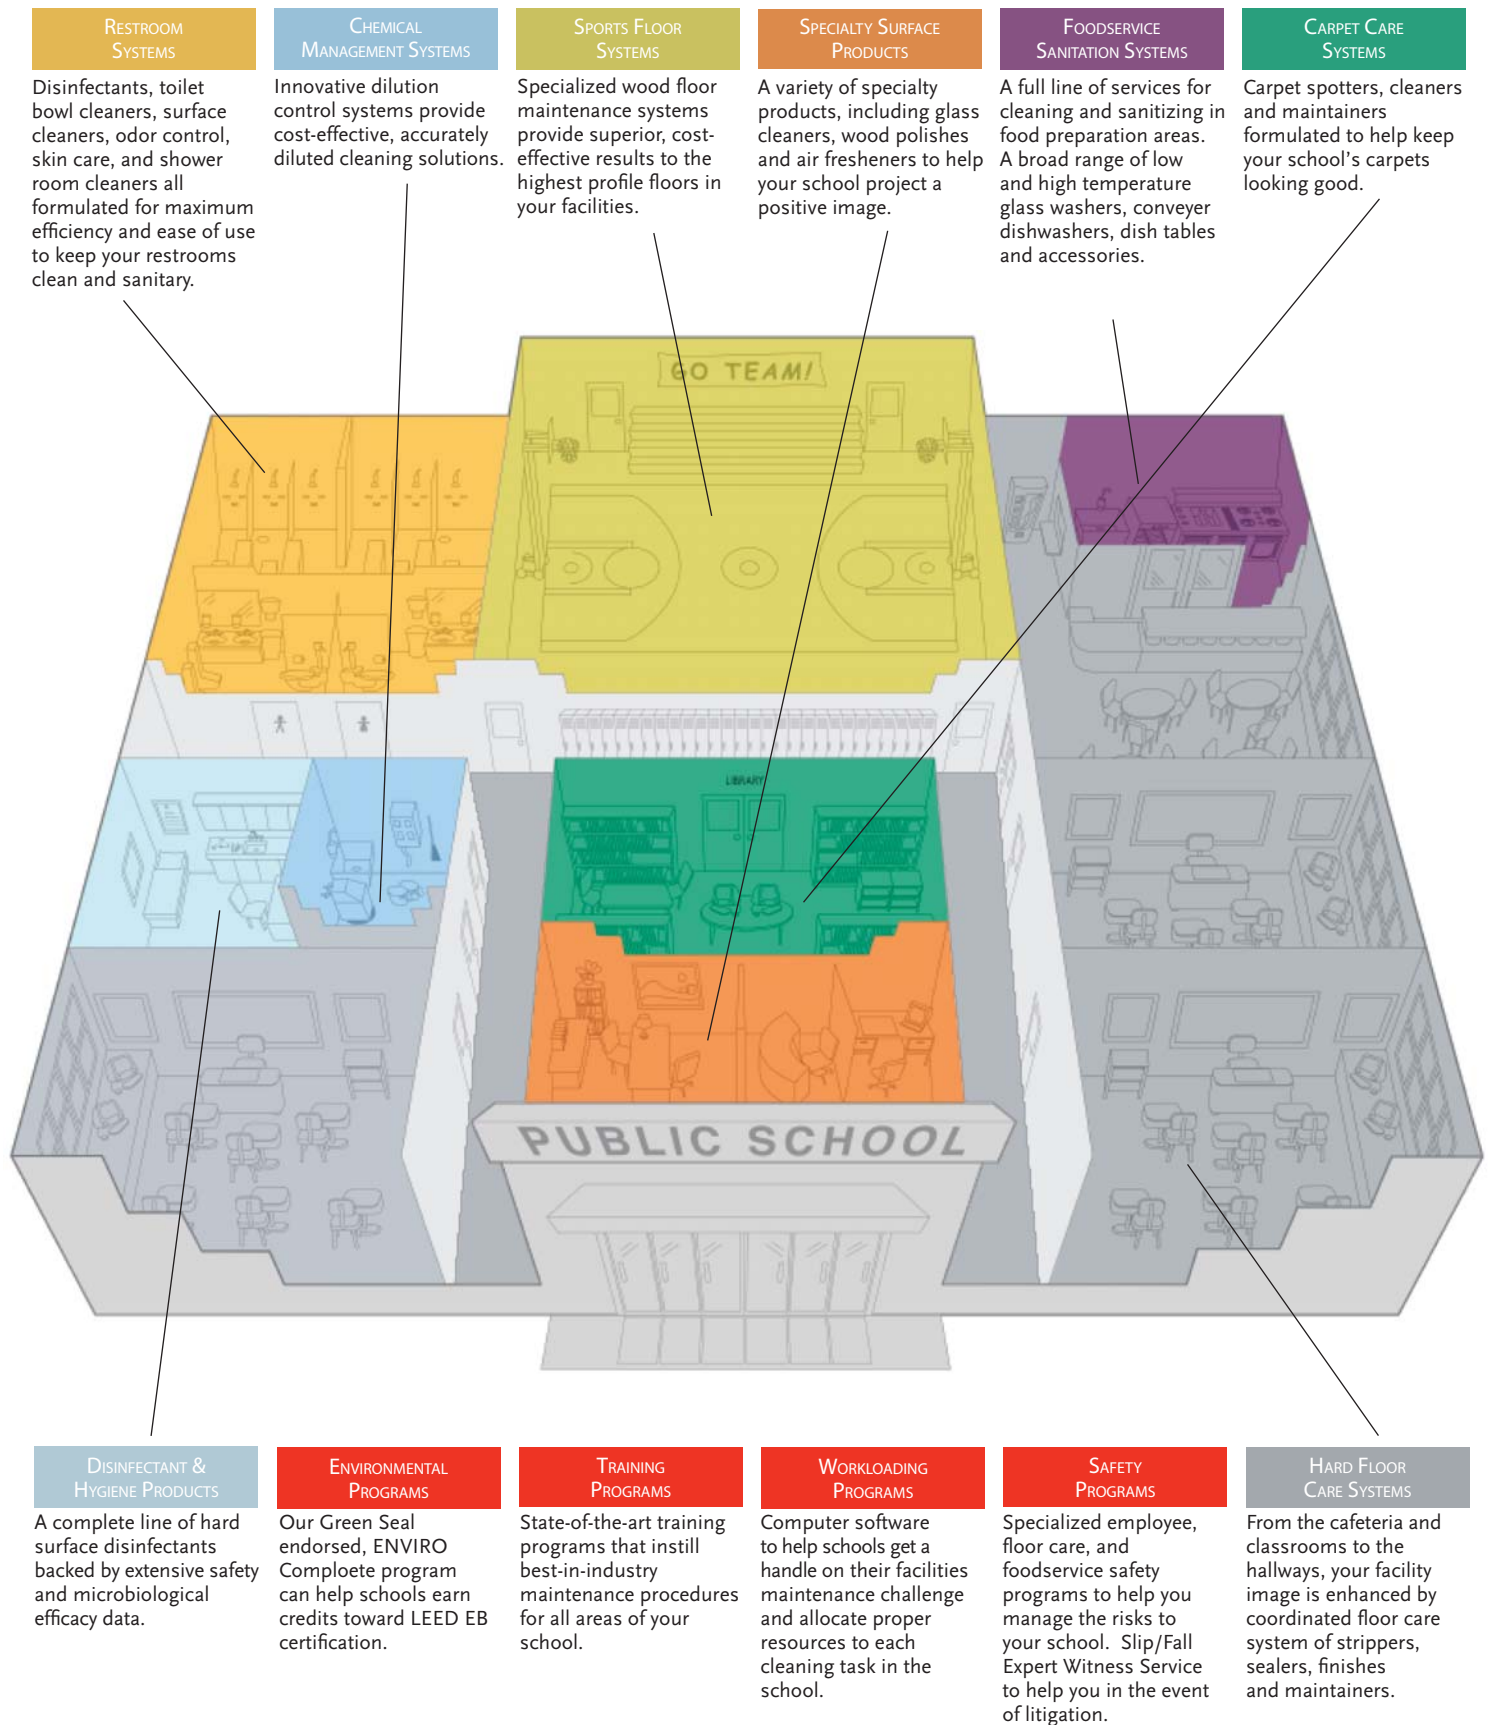

Over 19,000 schools across North America use ABM Janitorial Services to clean and maintain their facility. That is three times as many as our nearest competitor.

Why do so many schools choose a quality line in the face of severe budget cuts? Because ABM Janitorial Services knows the challenges education facilities professionals face day to day and budget year to budget year. Our solutions reduce school cleaning costs and address four core Education values:

- ◆ EMPLOYEE PRODUCTIVITY
- ◆ APPEARANCE IMPROVEMENT
- ◆ ENVIRONMENTAL SENSITIVITY
- ◆ HEALTH & SAFETY

SOLUTIONS DESIGNED FOR EDUCATION

COMPREHENSIVE FACILITY CARE

Our custodial management tools and training programs bring you best-in-industry cleaning practices and a disciplined approach to work scheduling and labor justification.

PRODUCTIVITY AND COST IMPROVEMENTS

When your school shines, so does its image in the community. Parents, teachers, and students are demanding better looking schools at a time when budgets are stretched and access time is diminishing. Our partner Johnson Wax Professional offers state of the art cleaning solutions. Our chemicals, equipment and tools save time and money and provide the cleaning results your customers demand.

APPEARANCE IMPROVEMENT

SOLUTIONS DESIGNED FOR EDUCATION

ENVIRONMENTAL SENSITIVITY

Our ENVIRO Complete™ program reduces the impact cleaning has on students, teachers, administrators, custodians and the greater environment. With Green Seal Certified products and environmentally friendly procedures, ABM can help your school become more "green."

HEALTH AND SAFETY

ABM provides safe floor coatings to reduce the chance for slips and falls and closed loop chemical dispensing systems to eliminate worker contact with concentrated chemicals. We offer state of the art cleaning tools that reduce worker fatigue and chance for injury. Let ABM help safeguard your school.

ABM's Commitment to the Environment

- Develop solutions that lessen environmental impact.
- Target zero environmental, health and safety incidents.
- Meet all applicable regulatory requirements and exceed them when our standards are higher.
- Apply resources effectively and efficiently.
- Improve all we do by continually assessing environmental, health and safety effects.
- Partner with customers, community groups and others to promote environmental, health, safety and product excellence.
- Advocate for more challenging performance requirements in our industry.
- Provide information and tools for our employees to meet our environmental commitment.
