***Commitment to
Environment, Health, Safety and
Service Excellence***

ABM is dedicated to providing services and solutions that simplify the lives of our customers. Simplification includes the delivery by ABM of services and solutions that are designed to minimize safety risks to our customers and to the environment.

**SOLUTIONS DESIGNED
for HEALTHCARE™**

**More than products and beyond price...
delivering healthcare service excellence.**

ABM Janitorial Services. . .

Our facility management tools and training programs bring you best-in-industry cleaning practices and a disciplined approach to work scheduling and labor justification.

When your healthcare facility shines, so does its image in the community. Parents, faculty, and the public are demanding better looking healthcare facilities at a time when budgets are stretched and access time is diminishing.

Our partner Johnson Wax Professional offers state of the art cleaning solutions. Our chemicals, equipment and tools save time and money and provide the cleaning results your customers demand.

Our supplier partnerships coupled with our world class facility management expertise allows ABM Janitorial Services to deliver the highest appearance levels at the most economical cost.

We call this *Solutions Designed for Healthcare™*

The new *Solutions Designed for Healthcare™* program provides excellence in four primary services in an effort to guarantee the satisfaction of each and every member.

- **HEALTHCARE DEDICATED ORGANIZATION**
- **QUALITY-ORIENTED FIELD ORGANIZATION**
- **CUSTOMER SERVICE & TECHNICAL SUPPORT**
- **PERFORMANCE MEASUREMENT/FEEDBACK**
