

Cleaning Excellence Machine Guide

THE *ISS* WAY
TOGETHER

Machine Guide for Cleaning Excellence

ISS Facility Services is delighted to launch this, the ISS Machine Guide, which covers the complete range of cleaners, sweepers, washers, vacuums and scrubber driers ISS will use to deliver Cleaning Excellence. The ISS Cleaning Excellence team, together with ISS Procurement Director Greg Robinson, have worked hard to select two supplier partners who together manufacture an outstanding range of products, giving choice and the right kit for every job.

Within the UK, ISS are privileged to provide a range of services to buildings old and new, from listed buildings to those that are at the leading edge of modern construction techniques and management systems. Our clients rightly have become more demanding and knowledgeable of our industry so it is vital that **TOGETHER** we continue to push the boundaries of best practice to deliver superior efficiency and results. ISS must be at the forefront of Cleaning Excellence in line with our strategy of delivering Single Service Excellence. Detailed in this brochure is a range of machines that ISS consider to be “best in class” and will ensure that **TOGETHER** we achieve our goal.

As Managers, you can also expect outstanding levels of service from our supplier partners, who have undertaken to provide: support in selecting the right machine for your requirements, training for your operatives and after sales backup and warranties.

As with the ISS selected range of cleaning products, **TOGETHER**, we all have a responsibility to strictly adhere to this new product range in order that we may retain our position as an industry leader.

Why choose Nilfisk?

Nilfisk is one of the world's leading manufacturers of professional cleaning equipment, and has been supporting the industry for over 100 years. We are 100% devoted to our customers and quality.

Nilfisk have a clear vision and strategy. We want to be the best at what we do, and are committed to offering ISS high quality cleaning equipment which is extremely reliable, easy to use, and improves productivity.

Nilfisk have an experienced team of 25 field sales personnel supported by an ISS dedicated National Account Manager. In addition, we have a team of 48 fully trained engineers, to offer daily support as required. We also have 3 UK Customer Service Centres meaning that assistance is only a phone call away.

Nilfisk offers:

- Full FREE site surveys on request – offer complete peace of mind selecting the correct item of equipment for the job
- Full installation and FREE Fully certificated on-site training and 'train the trainer' at installation and for the life of the machine(s) by our regional account managers
- Short term hire machines available, at a competitive price, from our hire partners Clean Sweep UK
- Full warranty provision including 'no hassle' service contracts to fit your budget

Service Contracts

We offer added peace of mind through our service contracts. Please contact your ISS Account Manager for more details

Standard	2 full service visits per annum, no spares or breakdown costs included
Silver	4 full service visits per annum, 1 PAT test per annum, spares and breakdown visits included, no misuse or battery replacement cover. Same day call guaranteed. Consumable items excluded
Gold	4 full service visits per annum, 1 PAT test per annum, spares break down visits, misuse and battery replacement included. Same day call guaranteed. Consumable items included

ISS and TASKI - Two Global Companies delivering National Coverage and Local Expertise

TASKI machines are a true "sustainable option" for today's commercial cleaning conditions

At ISS you rely on a highly productive range of machines that ensures every opportunity to improve your floor care needs is being addressed more efficiently. TASKI machines are known within ISS Facility Services for their ease of use, technology in design and manufacturing that enables true innovative solutions in Performance, Ergonomics and Life-Time costs to be met first time, every time.

The TASKI machines that feature in this Cleaning Excellence Machines catalogue have been chosen for the benefits they bring :-

- TASKI vacuums are **Carpet & Rug institute accredited**
- TASKI swingo scrubber driers
 - use **CSD**, chemical solution dosing which increases the performance per tank of water, typically by 25% when compared to competitors machines of comparable size
 - low noise levels typically run on average at 60dB
 - use the **latest XFC battery technology** (longer life, greater charging time, lower life time cost)
 - now come with a **2 year warranty**, including the XFC batteries
- TASKI ergodisc rotaries come complete with a 2 year warranty
- TASKI machines are designed to reduce
 - White Finger Vibration Syndrome through ergonomic design and reduce user fatigue
 - power consumption, typically by **30% less** than comparable competitor machines
 - both the carbon footprint of ISS and their customers
- TASKI machines are designed to **increase productivity**, therefore reducing Labour costs

GU 355/455 Dual Motor Upright Vacuum Cleaners. 1200W, 15m cable, 35/45cm brush width
BEST SUITED FOR... flat floors designed to clean under and around furniture, beds etc. Ideal for hotels, hospitals and conference venues

GU 700A Upright Vacuum Cleaner 2250W, 35 litre dust bag, 23m cable
BEST SUITED FOR... heavy duty cleaning with maximum productivity in airport lounges, exhibition venues and conference halls

IVB7 Wet & Dry Vacuum Cleaners other models and versions available on request
BEST SUITED FOR... industrial cleaning for dust class M or H zones (site visit recommended)

HDS 2000 HEPA Tub Vacuum Cleaner. 1250W, 10 litre dust bag, 15m cable, includes hose, tools and tubes
BEST SUITED FOR... a silent, superior performance vacuum for day time office cleaning and hospitals

GWD 320 Wet & Dry Vacuum Cleaner 1350W, 10m cable, 20 litre capacity, includes hose, tools and tubes
BEST SUITED FOR... medium duty daily wet & dry cleaning applications in all sectors

GD 5 Battery Vacuum Cleaner 400W, 5 litre dust bag, includes battery, charger, hose, tools and tubes
BEST SUITED FOR... a silent battery operated back pack for cleaning in noise sensitive environments hospitals, reception areas, retail and call centres

GD 5 Back-Pack Vacuum Cleaner mains operated, 1300W, 5 litre dust bag, complete with hose, tubes and nozzle
BEST SUITED FOR... mains powered vacuum for stairs, entertainment areas, high level cleaning where manoeuvrability is required

APC 328 All Purpose Cleaner
BEST SUITED FOR... cleaning all hard surfaces; toilets, showers, changing rooms and retail environments

TASKI ensign SM1 / SM2 Single motor upright vacuums

6003044 ensign SM1
6003045 ensign SM2
6076768 5L dust bags (pk 10)

TECHNICAL DETAILS... SM1 = 30cm (12"), 402 sqm/hr. SM2 = 37cm (14"), 430 sqm/hr. Powerful 1300 watt motor. Manual height adjustment. S class filtration. 99% efficient at 0.3 micron. 47L airflow. 10m cable length. Detachable side hose and tools

IDEAL FOR... Small/Medium areas. Offices, corridors, retail, schools

TASKI ensign 360 / 460 Twin motor upright vacuums

6071637 ensign 360
6076776 ensign 460
6076735 5L dust bags (pk 10)

TECHNICAL DETAILS... 360 = 35cm (14"), 430 sqm/hr. 460 = 45cm (18"), 558 sqm/hr. Powerful and robust. Manual height adjustment. Pile sensor. 55L airflow. 10m cable length. Detachable side hose and crevice nozzle

IDEAL FOR... Medium un-congested areas. Open-plan offices, corridors, retail, call centres, exhibition areas

TASKI smart Battery-operated tub vacuum

7512787 smart + 2 batteries
7512788 euro charger
7512793 accessories
7512792 additional battery

TECHNICAL DETAILS... Extremely quiet (49 dB(A)). 40% labour-saving vs normal tub vacuums. Safe cordless operation. 3L capacity. Can be used with 1 or 2 batteries; charger holds 4 batteries; each battery lasts 20 minutes. 8.5kg weight with 1 battery

IDEAL FOR... Daytime cleaning. Offices, school, retail, call centres. Congested areas. Hard and carpeted floors

TASKI dorsolino Back pack vacuum

8004120 dorsolino
8504190 dust bags (pk 10)
8504180 attachment kit

TECHNICAL DETAILS... 5L capacity. 300 sqm/hr. 47L airflow. 15m cable length. Comfortable, fully adjustable harness. Only 5.4kg weight

IDEAL FOR... Small/Medium awkward and congested areas. Offices, corridors, stairwells, retail, lecture theatres. High Vacuuming and Flow Cleaning. Hard and carpeted floors

TASKI vacumat 12 Wet pick-up

8004110 vacumat 12
8504490 kit-wet cleaning
8504500 kit-dry cleaning

TECHNICAL DETAILS... 12L capacity. 210 sqm/hr. Hose and squeegee kits available

IDEAL FOR... Small / Medium areas. Wet or dry pick-up. Anywhere access is required under and around fixtures

TASKI vacumat 22T Wet pick-up with fixed outrigger

8004570 vacumat 22T
8504490 kit-wet cleaning
8504500 kit-dry cleaning

TECHNICAL DETAILS... 22L capacity. 210 sqm/hr. Fixed outrigger squeegee to maximise productivity. Hose and squeegee kits available

IDEAL FOR... Medium / Large areas. Wet or dry pick-up.

PS 333 Compact machine for small areas
BEST SUITED FOR... one of the most compact single disc machines on the market, ideal for floor maintenance, light scrubbing and polishing

SD 43-165 Low-speed range for standard cleaning applications
BEST SUITED FOR... This 165 rpm machine has a 43cm brush/pad diameter and is designed for light cleaning of hard floors, various accessories available

SDM 43-180 Low Speed Single Disc, 1200W, 12.5m cable, 180 rpm, includes pad driver, 43cm.
BEST SUITED FOR... scrubbing, spray cleaning and stripping, it is designed for medium duty usage, comfortable and fatigue-free operation

SD 43-400 High Speed Single Disc, 1100W, 12.5m cable, 400 rpm, includes pad driver, 43cm.
BEST SUITED FOR... polishing, scrubbing and spray cleaning hard floors

UHB 51-1500 Battery Burnisher. 1500W, 1500 rpm, on-board charger, cleans up to 2230 m²/hr.
BEST SUITED FOR... restoring and maintaining a high gloss shine on floors

SDM 43-DUO Two Speed Single Disc, 190/380 rpm, 1200/1500W, 12.5m cable, twin speed, includes pad driver.
BEST SUITED FOR... easy, efficient and cost effective maintenance of virtually all floors. This unit handles stripping or scrubbing as well as high-speed spray cleaning or polishing

SDM 53-1500 Electric Burnisher, 1800w, 12.5m cable, 1500 rpm, includes pad driver.
BEST SUITED FOR... covering large areas with maximum efficiency and in the minimum of time. Ideal for building a long-lasting shine to hard floors, the right choice for high productivity in polishing and maintenance of large areas in retail, hospitals and hotels

Battery Burnisher Battery powered straight-line rotary
7517298 battery burnisher
7517322 optional spray attachment
TECHNICAL DETAILS... 43cm (17") width. 1500 rpm. Gel batteries. Visible dust control system. Folding handle for tight storage
IDEAL FOR... Wet-look floors. Low profile to get under counters and awkward places. Burnishing, spray burnishing. Medium / Large areas. Can be easily transported in Mobile Units.

TASKI ergodisc mini Small rotary

7514695 ergodisc mini
7514698 scrubbing brush
7514697 pad drive

TECHNICAL DETAILS... 28cm (11") width. 230 rpm.
90 sqm/hr scrubbing. 190 sqm/hr buffing. 15m
cable length. 22kg weight without cable

IDEAL FOR... Wet scrubbing, wet shampooing, dry
buffing, spray cleaning. Small congested areas, toilets,
washrooms, landings. Can be easily transported in
Mobile Units

TASKI ergodisc 238 Standard speed rotary

8004030 ergodisc 238
6010356 scrubbing brush
6010367 multigrip pad drive

TECHNICAL DETAILS... 38cm (15") width. 240 rpm.
140 sqm/hr scrubbing. 270 sqm/hr buffing. 15m
cable length. 22kg weight without cable

IDEAL FOR... Wet work (scrubbing, stripping,
shampooing). Also for dry buffing, spray cleaning.
Small / Medium areas

TASKI ergodisc 165 Heavy Duty rotary, with
extra weight

8003820 ergodisc 165
6010459 scrubbing brush
6010446 pad drive

TECHNICAL DETAILS... 43cm (17") width. 165 rpm.
150 sqm/hr scrubbing. 350 sqm/hr buffing

IDEAL FOR... Wet work (scrubbing, stripping,
shampooing). Also for dry buffing, spray cleaning,
dry shampooing, wood sanding and marble care.
Medium / Large areas

TASKI ergodisc 438 High speed rotary

8004040 ergodisc 438

TASKI swingo 150 Compact mains scrubber dryer

7516211 swingo 150

TECHNICAL DETAILS... 2.6L tank. 33cm (13") width. 150 sqm/hr. 10m cable length. 11.4kg empty weight, very compact

IDEAL FOR... *Handles like a vacuum!* Very small, congested and awkward areas, toilets, washrooms, kitchen safety floors, bar floors. Can be easily transported in Mobile Units

TASKI swingo 350 Cylinder brush battery powered scrubber dryer

NEW! Coming Autumn 2010

TECHNICAL DETAILS... 10L tank. 36cm (14") width. Up to 500 sqm/hr. 1 hour run time. Highly productive xfc battery technology, with external charger

IDEAL FOR... Daytime Cleaning. Small / Medium congested and awkward areas, toilets, washrooms, kitchen safety floors, bar floors, food production areas. Can be easily transported in Mobile Units

TASKI swingo 450 Battery powered pedestrian scrubber dryer

7513902 swingo 450

6067366 xfc 58 battery set

6010459 scrubbing brush

7510829 pad drive harpoon grip

TECHNICAL DETAILS... 20L tank. 43cm (17") width. 650 sqm/hr. 30kg brush pressure. 2 hours run time. Highly productive xfc battery technology, with external charger

IDEAL FOR... Daytime Cleaning. Small / Medium areas, small receptions, washrooms, low-level under counter cleaning due to shape

TASKI swingo 755 Battery powered pedestrian scrubber dryer

7516823 swingo 755

6067371 xfc 58 battery set

6010459 scrubbing brush

7510829 pad drive harpoon grip

TECHNICAL DETAILS... *Updated Features!*

INCREASED 40L tank. 43cm (17") width. Up to 900 sqm/hr. 32kg brush pressure. 2.5 hours run time.

NEW V-shaped squeegee. Highly productive xfc battery technology, with external charger. Uses Patented CSD system

IDEAL FOR... Daytime Cleaning. Small / Medium areas, colleges, schools, sports centres, transport

TASKI swingo 855 Battery powered pedestrian scrubber dryer

7517571 swingo 855

6067371 xfc 58 battery set

8504770 scrubbing brush

7510830 pad drive harpoon grip

TECHNICAL DETAILS... *Updated Features!* 40L

tank. 51cm (20") width. Up to 1000 sqm/hr. 2.5 hours run time. **NEW** V-shaped squeegee. Highly productive xfc battery technology, with external charger

IDEAL FOR... Daytime Cleaning. Medium areas, colleges, schools, sports centres, transport. Same as 755, but bigger pad giving higher productivity

TASKI swingo 1255 Battery powered pedestrian scrubber dryer

7516829 swingo 1255

6067374 xfc 58 battery set

7510631 scrubbing brush (order 2)

7510634 pad drive harpoon grip (order 2)

TECHNICAL DETAILS... *Updated Features!*

INCREASED 60L tank. 56cm (22") width. 1400 sqm/hr. 46kg brush pressure. 3.5 hours run time. **NEW** V-shaped squeegee. Highly productive xfc battery technology, with external charger

IDEAL FOR... Daytime Cleaning. Medium areas, colleges, schools, sports centres, transport

TASKI by Diversey

TASKI swingo 1650 Battery powered pedestrian scrubber dryer

7515882 swingo 1650
6067388 xfc 158 battery set
7515516 scrubbing brush (order 2)
7515515 pad drive harpoon grip (order 2)

TECHNICAL DETAILS... 85L tank. 66cm (26") width. 1650 sqm/hr. 52kg brush pressure. 3.5 hours run time. **NEW** V-shaped squeegee. Highly productive xfc battery technology, with external charger

IDEAL FOR... Daytime Cleaning. Medium / Large areas, colleges, sports centres, transport, shopping centres

TASKI swingo XP Battery powered stand-on scrubber dryer

7514504 swingo XP
6067378 xfc 158 battery set
7514650 scrubbing brush (order 2)
7514648 pad drive harpoon grip (order 2)

TECHNICAL DETAILS... 105L tank. 76cm (30") width. 3150 sqm/hr. 6 km/hr. Up to 4 hours run time. Micro-rotating brush. W-shaped squeegee. Excellent maneuverability and speed. Immediately dry floors! Highly productive xfc battery technology, with external charger

IDEAL FOR... Daytime Cleaning. Large areas, foyers and receptions, concourses, sports centres, shopping centres, manufacturing and pharmaceutical plants

TASKI swingo 2500/3500 Battery powered ride-on scrubber driers

8004741 swingo 2500
8004751 swingo 3500
6067442 xfc 177 battery set
8601080 scrubbing brush for swingo 2500 (order 2)
8501120 pad drive for swingo 2500 (order 2)
8501100 scrubbing brush for swingo 3500 (order 2)
8501130 pad drive for swingo 3500 (order 2)

TECHNICAL DETAILS... 2500 = 71cm (28"), 2500 sqm/hr. 3500 = 87cm (34"), 3500sqm/hr. 95L tank. 7.5 km/hr. Up to 5 hours run time. 40% more productive than pedestrian. **NEW** V-shaped squeegee. Highly productive xfc battery technology, with external charger

IDEAL FOR... Daytime Cleaning. Large areas, hard and decorative flooring, colleges, sports centres, transport, shopping centres

CA 340 Mini Scrubber Dryer 1245W, 20m cable, 14", includes brush.

BEST SUITED FOR... a smart alternative to mopping. An automatic scrubber/dryer leaving your floor spotless. The CA340 is perfect for maintenance of hard floors in small areas, e.g. stone, tiles, cement, marble, rubber and vinyl etc.

BA 410 Small Scrubber Dryer, 1650W, battery operated, 17", includes battery, charger and pad driver. **CA 410** Cable operated as above

BEST SUITED FOR... the BA 410 scrubber dryer represents the best in floor cleaning design. Its compact but with its 43cm scrubbing deck, has all the features normally associated with larger machines. It can handle all types of floors and is even capable of tackling stripping tasks. ECO solution as standard

BA 451 Medium Scrubber Dryer, battery operated, 17"

BEST SUITED FOR... The walk behind BA451 has retained the best of the former generation, but offers more comfort and productivity in an improved design. All machines are equipped with EDO solution, which when activated reduces water consumption by 50%

BA 551 Medium Scrubber/Dryer, Battery operated, 21", includes MF battery, charger and pad driver.

BEST SUITED FOR... this new range of walk behind scrubber dryers offers more of everything that is important for floor cleaning efficiency: more productivity, longer run time, more ergonomic features, reliability, more options and more cost effectiveness

BA 651 Scrubber Dryer, Battery operated, 26", includes battery, charger and pad driver.

BEST SUITED FOR... more versatility, up to 30% greater productivity better than ever reliability, extremely silent operation, and the most advanced ergonomics available. This machine can add real value to your contract and show a truly professional result. A good machine for retail, hospitals and general cleaning contracts

BR 601 Ride-on Scrubber Dryer. Compact 28", battery operated, includes battery, charger, and pad driver.

BEST SUITED FOR... compact, easy to use scrubber dryer covering all commercial floor cleaning applications. This series is the perfect choice for large area cleaning, even in areas congested with furniture and/or equipment e.g. shopping malls, supermarkets and hospitals

BR 755 Ride on scrubber dryer, battery operated, 28"

BEST SUITED FOR... The BR755 is a new generation of scrubber dryers with the focus on performance ergonomics and reliability, for use in supermarkets, hospitals and larger industrial units

BR 850S Ride-on Scrubber Dryer 34", battery operated, includes battery, charger, and pad driver.

BEST SUITED FOR... The BR850 is unique for the industrial market by providing value where other scrubber simply can't. An example of this is our modular scrub deck system. The machine turns within a 163cm radius. It can be used in distribution/warehousing, universities, large department stores and supermarkets. Cylindrical and disc versions available

BR 1100C Ride-on Scrubber Dryer 40", includes battery charger, and pad driver.

BEST SUITED FOR... excellent features, high productivity with a choice of disc or cylindrical brush deck and in 2 widths make this machine ideal for cleaning industrial floors, perfectly suited for all large scale cleaning applications

ER 1300 Ride-on Scrubber dryer/sweeper with the widest cylindrical scrub deck in its class

BEST SUITED FOR... dual cylindrical brushes counter rotate to sweep and scrub in one pass. Suitable for sweeping and scrubbing applications in warehousing, distribution, large public facilities, arenas, stadiums venues and industrial applications

UHR 70-1700 Ride-on Burnisher for exceptional productivity

BEST SUITED FOR... productive cleaning of large hard floor areas, such as airport terminals, shopping centres and hospitals

SW 750 Compact Sweeper. Battery operated, quiet in use, 20 litre hopper, 72cm cleaning width.

BEST SUITED FOR... cleaning everything from retail areas to petrol stations. What's more it comes with an on board charger as standard to save time. It cleans so silently that it can be used even in the most noise sensitive areas

CR 1200 Ride-On Combined Sweeper/scrubber Dryer, 62", LPG operated, includes brushes.

BEST SUITED FOR... complete floor cleaning solutions as they can sweep, scrub and dry in a single pass or be used for just sweeping or scrubbing depending on the application. Available in Battery, diesel, petrol or LPG

SR 1301B Ride-on Sweeper. Battery operated, high dump facility, 130 litre hopper, includes battery, charger and brushes.

BEST SUITED FOR... the SR 1301 is a big performance ride on sweeper with a cleaning capacity of up to 10,800 m² per hour. It's ideal for outdoor and indoor sweeping applications, such as car parks, pathways, railway stations, loading bays, warehousing and industrial settings

SR 1601 Ride-on Sweeper Diesel operation, 315 litre hopper volume, includes brushes.

BEST SUITED FOR... the new SR1601 is claimed to be the most technically advanced sweeper in its category, with innovations that increase cleaning productivity whilst simplifying operating and servicing requirements. Well suited for industrial and warehousing environments

RS 851 Road Sweeper Diesel operation, 850 litre hopper volume, includes brushes

BEST SUITED FOR... The RS851 is small and mobile enough to handle pavements and congested areas, yet large enough to offer productive cleaning of city squares and urban spaces, overcome 17cm high kerbs and steps, climbing ability is 22%. It has a fantastic manoeuvrability and its low noise level won't disturb the neighbours

MX 103 C Carpet Extractor, 1380W, 9 litre capacity, working width 220mm.

BEST SUITED FOR... quick clean-up or spot cleaning of carpets and upholstery, the MX 103 provides an economic and easy to use professional solution

AX 410 Carpet Extractor, 1600W, 15m cable, 30/23 litre capacity, includes edge tools, hand brush & hose.

BEST SUITED FOR... The needs of all carpet extractor users are not the same, this is why we offer separate versions for those who need on-board accessories and dual mode cleaning, ideal for hotels, nursing homes, retail areas and hospitals

Nimbus 900 Battery powered pedestrian sweeper, with twin side brooms

6011670 nimbus 900

6069597 battery

6011685 battery charger

TECHNICAL DETAILS... 90cm (33") working width. 60L capacity waste hopper. 2340 sqm/hr. 2 hours run time. 2 roller system. Filtered suction system

IDEAL FOR... Entrance areas, paving, small/medium car parks. Hard and carpeted floors. Can be used inside and outside. Picking up drink cans and bottles

Nimbus 1000 Battery powered professional pedestrian sweeper, with twin side brooms

6011671 nimbus 1000

6067396 xfc 58 battery set

TECHNICAL DETAILS... 1m (40") working width. 70L capacity waste hopper. 2600 sqm/hr. 3 hours run time. Large efficiency filter. Reverse traction drive

IDEAL FOR... Entrance areas, paving, medium car parks. Hard and carpeted floors. Can be used inside and outside. Picking up drink cans and bottles

Nimbus 1100 Battery powered professional ride-on pedestrian sweeper

6011674 nimbus 1100 std

6011689 battery

6011690 battery charger
(call 0800 052 4567 for other configurations)

TECHNICAL DETAILS... 1.1m (43") working width. 90L capacity waste hopper. 4620 sqm/hr. 4 hours run time. 6 electric motors. Extremely maneuverable. High dump facility

IDEAL FOR... Large areas, conference centres, medium/large car parks, shopping centres, exhibition areas. Hard and carpeted floors. Can be used inside and outside. Picking up drink cans and bottles

TASKI balimat 45 Small manual brush sweeper, with twin side brooms

8004690 balimat 45

TECHNICAL DETAILS... 10x more productive than a manual broom. 80cm (32") working width. 40L capacity waste hopper. 13kg weight. Collapsible handle

IDEAL FOR... Entrance areas, paving, small/medium car parks. Can be used inside and outside. Picking up litter, cigarette ends and leaves

Aquamat 10 Compact carpet extractor

8003310 aquamat 10 mk2
